With reference to the endorsement of the Officer i/c Special Branch appearing on the attached copy of a letter addressed to the Secretary of the Shanghai Municipal Council, I have to report that Dr. P. Muto Nardone, who at present works as a medical practitioner in conjunction with Dr. E. P. H. Hibert at No. 212 Szechuen Road, has from January 1, 1934 been appointed medical adviser to the local Italian Legation, and as such will be more or less responsible for the health of the local Italian marines, sailors, consular officials, etc. He is therefore severing his connection with Dr. Hibert in order that he may give his future post sole attention.
